

CLEARVIEW

ESTATE WINERY

Coastal Gewürztraminer

Produced predominantly from the low yielding, eight year old Sandler Block which is beside the winery and only 150 metres from the ocean. Some fruit was also purchased from another local coastal producer. The quality of the 2014 vintage with its clean fruit and wonderful concentration has resulted in a wine full of Turkish delight and ginger balanced with a semi-sweet tropical finish and excellent acidity, typical of our cooler, coastal vineyards.

WINEMAKING NOTES

The grapes were handpicked, then gently whole bunch pressed. The juice was chilled and settled until bright. Aromatic yeast strains were used to inoculate the juice immediately after racking off juice lees. The ferment was kept cool at 10-12°C to maintain varietal characters, then stopped with further chilling to retain natural residual sugar. Bottled early to capture the natural vibrancy of Gewürztraminer.

FOOD SUGGESTION

Spicy Asian cuisine and fruit
