ESTATE WINERY

## Coastal Gewürztraminer

The 2016 vintage with its clean fruit and wonderful concentration has produced a wine full of Turkish delight and ginger with a exotic tropical finish.

*"a fresh, softly concentrated nose with good depth of rose-petal florals and Turkish Delight, along with gentle exotic nuances of tropical fruits, honey and musk." ★★★★★ - Raymond Chan 2016*

### ACCOLADES

4 stars - Raymond Chan 2016

### WINEMAKING NOTES

The grapes were gently whole bunch pressed. The juice was chilled and settled until bright. Ambient yeast took control of the fermentation. The ferment was kept cool at 10-12°C to maintain varietal characters, then stopped with further chilling to retain natural residual sugar. Bottled early to capture the natural vibrancy of Gewürztraminer.

### FOOD SUGGESTION

Asian flavours and desserts.
