ESTATE WINERY

## Te Awanga Chardonnay

---

An easy drinking style, showing aromatic up-front fruit with good length and texture. This is a fruit driven wine with glycerol viscosity giving a weighty mouth feel. Our light and fruity chardonnay style with a touch of oak is hugely popular and an ideal anytime wine.

---

### TASTING NOTES

Super ripe, hand picked fruit from our estate vineyards was whole bunch pressed and then fermented in predominantly stainless steel tanks with a small percentage of barrel fermentation. A natural residual sugar level of 3g/litre was retained to enhance the tropical fruit characters. Stirring of the lees was undertaken and 30% malolactic fermentation was used to create additional complexity, softness, and texture.

### FOOD SUGGESTION

Fish, chicken or veal.
