ESTATE WINERY

Cape Kidnappers Syrah

The coastal influence on our Te Awanga vineyards is evident in this wine. An extended ripening period produced great depth of colour and concentrated flavour. Made to be approachable in its youth but with enough structure that cellaring will also be beneficial. Displaying vibrant violet and aniseed spice with an underlying complexity from naturally occurring tannin.

"The palate is powerfully expressed with silky texture and loads of succulent fruit flavours, backed by supple tannins. ★★★★★" - Sam Kim of Wine Orbit

Made from 100% Te Awanga fruit We have endeavoured to make a brooding wine that is able to develop overtime but is also great to enjoy now. Fermented with natural yeast and 20% whole bunches, this wine-underwent regular hand plunging to extract tannin and colour. After extended post ferment maceration the wine was then matured in 10% new French oak and received minimal interventions. The wine was carefully racked from barrel to tank only once just before bottling. This Syrah exhibits violets, lifted black pepper and subtle spicy oak.

FOOD SUGGESTION

Venison, beef or lamb
